

## Volunteer role description

**Role Title:** Allotment Volunteer

**Line Manager:** Laura Tween - Director

**Where:** - At the farm (Stoford).

**Frequency** – Once a week / fortnight

**Duration:** - March through to September

### Why we need your help:

Each year we support our Co-farmers to grow a variety of vegetable to sell in our polytunnels. We are looking for volunteers to work alongside our Co-farmers and staff to look after the plants in the polytunnels. This could be during the week when the Co-farmers are in, or coming in at weekends to give them an extra water. You don't need to be an expert gardener, just keen to get involved.

### What we need you to bring to the organisation:

- Ability to work as part of a team.
- Approachable and good at listening.
- Keen to get stuck into gardening.
- Self-motivation.

### What we can offer you:

- The opportunity to gain skills and experience within a supportive and professional team.
- To become part of the farm family.
- Regular support from your line manager.

### What we ask of you:

- To be able to provide a non-judgemental approach and to ensure boundaries are maintained.
- To follow Able Hands Together's policies and procedures
- To complete documentation relating to the role.
- To be able to complete given tasks.
- To undertake any training required.
