### Why we need your help:

Able Hands Together is in the process of setting up a Flower Farm. We have the raised beds ready to go. We are looking for volunteers to work alongside our staff to tend to the flowers and to support our Co-farmers (adults with learning difficulties) to look after the flowers. - Ability to work as part of a team.
- Approachable and good at listening.
- Keen to get stuck into gardening.
- Self-motivation.

### What we can offer you:

- The opportunity to gain skills and experience within a supportive and professional team.
- To become part of the farm family.
- Regular support from your line manager.

### What we ask of you:

- To be able to provide a non-judgemental approach and to ensure boundaries are maintained.
- To follow Able Hands Together's policies and procedures
- To complete documentation relating to the role.
- To be able to complete given tasks.
- To undertake any training required.
